MEMORANDUM FOR: Ch/GD/BGI
Ch/CD/BGI

SUBJECT: Revision of the China Province Atlas

1. The time appears appropriate to consider a revision of the China Province Atlas. As it bridges two divisions in OBGI, I propose that an initial meeting be held to discuss the problems inherent in the undertaking.

2. Attending should be you and/or your Far East branch chiefs and any others who have a direct interest.

3. I suggest we meet at 2:00 p.m., 7 February 1968, in Room 904, Magazine Building.
